KING'S BUSINESS COLLEGE

CHARLOTTE, N. C.

ESTABLISHED IN 1901

King's Business College was founded in 1901 and has grown to be one of the largest and most popular schools in the Carolinas. A large school can afford better equipment, a large, better-qualified corps of teachers, and is able to provide a better employment service.

WELL KNOWN TO BUSINESS FIRMS

Completion standards in KING'S are high, placing the graduate above the rank and file of ordinary business school graduates. Because of age and long service, KING'S is widely and favorably known to business firms in the South, especially in the Carolinas, where thousands of graduates are serving in high positions.

NATIONALLY ACCREDITED APPROVED SCHOOL

King's Business College of Charlotte is fully accredited by the National Association of Accredited Commercial Schools, a member of the National Council of Business Schools and the North Carolina Association of Commercial Schools.

ATTEND A GOOD SCHOOL

Preparation for your business career is so vital a matter that the selection of the school should be made only after a most thorough investigation. KING'S maintains high standards, and invites your consideration on the basis of the kind of training which will qualify you for a superior position.
